

PET REGISTRATION (VOULNTARY)

South Annville Police is creating a pet registration list for all pets, including horses. Due to the increase in population, we are finding more runaway pets. By creating this list, we will be able to find the owners faster and return your loved pet to you quicker with little or no stress on the pet by having the owner of pet retrieve it. This also eliminates any fees that would have to be paid to the Humane Society if pet is placed there. This is not for any enforcement duties, just to return the pet back to owners.

If interest in registering your pet, we ask for the breed, color, demeanor, owner name, address, and phone numbers. Just send your information to chiefsouthannville@comcast.net Subject: Pet registration
