

Lebanon County Department of Emergency Services

Access and Functional Needs Registry

Do you have limited mobility? Do you require power for your medical assistive devices? Do you have a child with special needs?

During disasters it is imperative that your local emergency services know who needs assistance.

Scan the QR Code below or go to www.lcdes.org to submit your information.

Please note: To ensure that your information remains up to date, you will be asked to resubmit or confirm your information once a year, or else it will be removed from the list.
